

## Women of Joy Newsletter—September 2011

### Summer Catch-Up

“For where two or three gather in my name, there am I with them”

I can only speak for myself and how I feel about the importance of fellowship. Life on this earth is not always easy. We all go through our seasons that are not easy, when the craziness of this world can be difficult. We have our stressful times, sad times, etc. I thank GOD that through these times I have him with me to get me through. This summer we had a few different gatherings. On **June 18<sup>th</sup>** we enjoyed fellowship and a cookout at Amy’s house. We played games, Volleyball, Badminton, and Basketball. We had quite a large group, so much fun and laughter. Jamie said grace before we enjoyed all the food that GOD provided for us (hamburgers, hot dogs, salads and desert)

**On July 16<sup>th</sup>** we enjoyed fellowship, a cookout and a wedding at the Nadolny’s house, what a great day. We witnessed Lewis and Diane exchange their vows during a beautiful ceremony. We enjoyed the pool, Badminton, water balloons, and the trampoline. Again there was food, love, laughter and God’s presence everywhere.

**On August 23<sup>rd</sup>** we enjoyed the Pool and Spa party at Cindy’s. A great relaxing time filled with a group of beautiful women of God (both old and young) and much love and laughter.

For me when we do these gatherings I can feel God’s presence everywhere. The craziness of the world goes away and I just get to enjoy the laughter, love and God’s presence. Thank you God for making these happen, with you all things are possible.

**Ladies Group** will begin meetings starting on September 13<sup>th</sup> at Cindy Nadolny’s at 6pm. Please bring a dish to share, we also are asking you to bring a friend. Cindy will be leading a study in the book of Philippians. “Be anxious for nothing.....” We are looking forward to seeing you all there.

**Since this is the Women’s Newsletter....**we are asking that you submit something for next month’s newsletter, poems, jokes, wisdom, testimonies and prayer requests. Let’s keep each other informed and lifted up.
